## THE POPPER™ ASHTRAY

tab activated  
FLIP-TOP POP-OUT ASHTRAY  
p/n CNO100

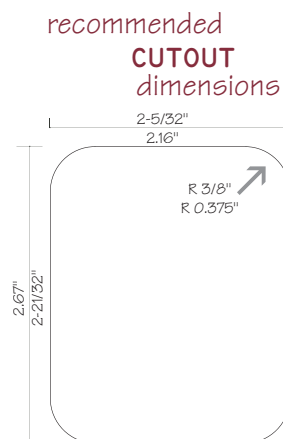

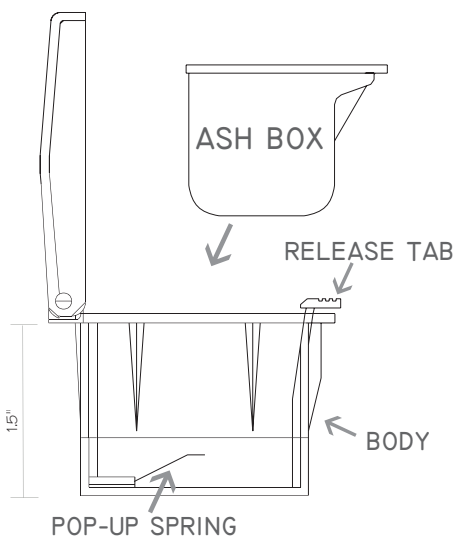

This patented flip-top, pop-out ashtray is setting new standards in the van, recreational vehicle, marine, heavy truck, and aftermarket industries.

Simple and safe cleaning, THE POPPER™ is tab activated. Its spring loaded action allows easy access to 'pop out' the ash box for easy cleaning.

Easy to install and friction-fit into the recommended cut-out size, we know you'll appreciate its functionality.

Multiple color combinations and custom colors are available - minimum quantities apply.
